

## **LUMINARIA NIGHT - KIT ASSEMBLY INSTRUCTIONS**

Thank you for participating in Luminaria Night 2022 on **Saturday, December 10!**

**Please have your Luminaria placed and lit by 5 p.m.**

### **To assemble and display the kits:**

1. Put about 1 cup of sand in the bottom of each paper bag. Place the candle in the center of the sand.
2. We suggest that you fold down the top of the bag into a cuff for a more stable Luminaria.

### **When assembling luminaria, please keep in mind the following regarding City of Bethlehem regulations:**

*The bags must be placed at least 3 feet away from each other and anything combustible (including homes or buildings, etc.). In addition, the bags must maintain a 5-foot clear pedestrian walkway at all times, they may not be placed on the curb where there is parking allowed, they cannot be placed anywhere that may cause a tripping hazard, and only the property owner (or his/her/their designee) may purchase, set up, and remove items placed within the property lines.*

**Please go green and save your sand to reuse in 2023.**

## **INCLEMENT WEATHER UPDATE**

**The inclement weather date is Saturday, December 17.**

Any necessary updates will be posted by 2 p.m. on the day of the event via email and social media.

You can also view updates via the New Bethany website or Facebook page at [www.newbethanyministries.org](http://www.newbethanyministries.org), <https://www.facebook.com/NewBethMin> or Twitter @NewBethMin.

**Postponement will be for the entire event, not by area.**
